

Hospital Hui

The Hospital Hui is a group of loyal and generous donors who share a passion and commitment to having the highest quality life-saving healthcare on Maui. Their financial support aides our Maui Health hospitals: Maui Memorial Medical Center, Kula Hospital, and Lana'i Community Hospital.

The Hospital Hui is dedicated specifically towards the improvement of emergent medical care provided to our community and visitors in the ER, OR, and ICU. All contributions benefit our entire community.

In gratitude for a generous pledge of \$50,000 or more over a 5-year membership period, Hospital Hui donors receive the following membership benefits:

- Personalized Hospital Hui membership cards with an exclusive, dedicated phone number to call when in need of our hospital emergency services.
- Pre-registration to help expedite care when visiting the Emergency Room.
- Special concierge services when admitted to the hospital.
- Invitations to our annual Hospital Hui Reception and other special events.
- Special recognition in our annual report.
- Special recognition on our Wall of Honor and invitation to our annual Hall of Honor Reception.
- Personalized opportunities to meet hospital leadership and physicians.
